Information

If you die before you retire, the Public Employees' Retirement Law provides for payment of specific Death Benefits to your surviving beneficiaries. Please order or download your Member Benefit Publication from our website www.calpers.ca.gov or see your personnel officer for a description of the benefits. The benefits are payable to the following beneficiaries:

- A. If you are a safety member and your death is job-related, or if you are not a safety member but you are fatally attacked while performing your official job duties, the Special Death Benefit may be payable. This benefit is payable by law to your surviving spouse/registered domestic partner (whether or not you were still living together at the time of your death) or, if none, to your unmarried children/step-children under age 22, whether or not you have filed a beneficiary designation.
- B. If you are eligible for retirement or you are a State member with at least 20 years of State service credit, a monthly death benefit allowance may be payable. If you do not have a valid beneficiary designation on file, the benefits will be payable to your surviving spouse/registered domestic partner to whom you have been married to or in a partnership with for either one year or prior to the onset of the injury or illness that resulted in death. Or, if there is no eligible surviving spouse/registered domestic partner, the allowance will be payable to your unmarried minor children, if any.

If you do have a valid beneficiary designation on file, your spouse/registered domestic partner may still be entitled to a community property share of your lump sum contributions or monthly death benefit allowance. However, your non-spouse/non-registered domestic partner designated beneficiaries will receive the portion of your lump sum benefits that are not payable to your spouse/registered domestic partner as his/her community property share.

- C. If A and B do not apply and there is no valid Beneficiary Designation on file at the time of death, the benefits will be payable to your survivors in the following order:
 1. Your surviving spouse/registered domestic partner (whether or not you were still living together at the time of your death); or if none
 2. Natural and adopted children, including (in limited situations) a natural child adopted by another, share and share alike; or if none,
 3. Parents, share and share alike; or if none,
 4. Brothers and sisters, share and share alike, or if none,
 5. Your estate (if probated, or subject to probate), or if not,
 6. Your trust (if one exists), or if not,
 7. Stepchildren, share and share alike or if none,
 8. Grandchildren, including step-grandchildren, share and share alike, or if none,
 9. Nieces and nephews, share and share alike, or if none,
 10. Great-grandchildren, share and share alike, or if none,
 11. Cousins, share and share alike.

If A and B do not apply and there is a valid Beneficiary Designation on file at the time of death, the benefits will be payable to the beneficiary(ies) you designate on the form. **However, if you are married or have a registered domestic partner at the time of death, your spouse/registered domestic partner may still be entitled to a community property share of your lump sum contributions.**

- D. You may designate or change your beneficiaries at any time by completing another Beneficiary Designation form. You may name as beneficiary any person or persons, a corporation or your estate. Payment will be made to your estate only if probated. You may designate a trust as your beneficiary; however, you must provide the name of the trust, the date of the trust, and the name and address where the trust is filed. It is not necessary to provide the name of the trustee. Reminder: **If you are married or in a registered domestic partnership at the time of your death and you do not name your spouse/registered domestic partner as beneficiary, he/she may still be entitled to a community property share of your lump sum contributions or a share of any monthly allowance that may be payable.**
- E. Your Beneficiary Designation will be revoked automatically, and benefits will be payable to the closest survivor listed in section C, if any of the following events occur after your designation form is received by CalPERS:
 1. Marriage/Registration of domestic partnership; or
 2. Dissolution or annulment of your marriage/registered domestic partnership. However, a designation filed after the initiation of a dissolution/annulment of marriage or registered domestic partnership is **NOT** revoked when the dissolution/annulment is finalized; or
 3. Birth or adoption of a child; or
 4. Termination of membership that results in a refund of your contributions.
