Agenda Item: Train the Trainer for Pre-Enrollment Informational Meetings

The December 4th local advisory committee meeting will include the Train-the-Trainer training for pre-enrollment informational meetings. It was suggested to do regular meeting business first so all those that do not plan on staying for the training can leave. Flyers regarding the training were passed around and will be emailed to the group and requested to send to interested parties. Outreach will specifically be targeted to bilingual and trilingual people who can then go out and offer pre-enrollment meetings in languages required by our diverse community.

A discussion followed regarding the making of a video/webinar options in other languages to lessen barriers to get to the pre-enrollment meetings. Futures Explored film and media workshop has offered to create the resource using the various translated PowerPoint presentations that have been provided by DDS.

Agenda Item: Outreach

The brochure translated to Tagalog is currently being reviewed. Irene led a presentation for the Alameda DD Council, and Maria continued to present along with DDS at two other regional centers. La Familia offered a training in Spanish for a parent support group, and SD information will be shared at the upcoming Alameda County Transition Fair and Star Conferences, both in March 2018.

Agenda Item: Input on Future Agenda Items

The committee will work to have a calendar in January of upcoming pre-enrollment informational meetings to share with the community and RCEB interest list.
