

This is Your Life!

(For Families of Children)

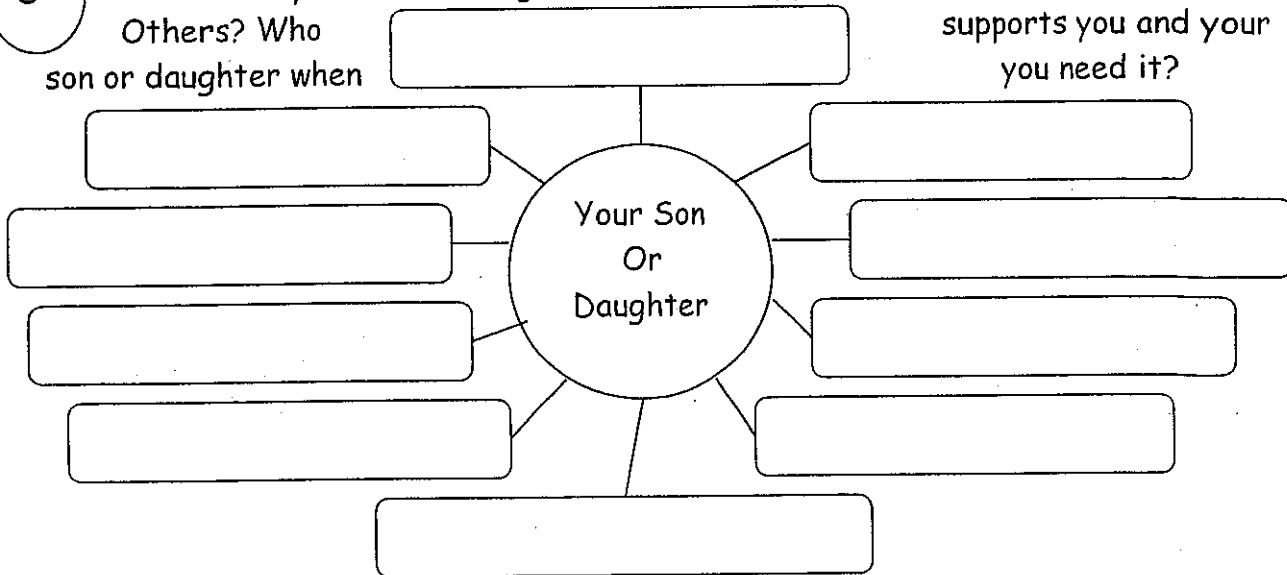

What's this all about?

This is Your Life is a chance for families and friends of children with disabilities to talk about what's going well and what could be going better. This information will help us get an idea of where we might fit into your lives and the lives of other families who need our support and service. It was written to be used in several ways: (1) family and friends can fill it out on their own; or (2) your Case Manager can come to your home and complete it with you. This is not something you have to do. It's VOLUNTARY. However, we think that you'll find it useful and interesting! (Revised 8/94)
