Further, Contractor agrees to allow entry to any authorized representative of RCEB and/or the State Department of Developmental Services and to provide such representative access to all facility and Client records upon request. Failure or refusal to allow entry or access may constitute grounds for termination of this Agreement at RCEB's option, in addition to other remedies.

Invoices (Provider of Care Claim Form) is due from the Service Provider on the 5<sup>th</sup> *business day* of each month that the RCEB Accounting Policy stated. RCEB will pay as described in **Exhibit A**.

Contractor understands and agrees that the presentation of a claim to RCEB for payment for SLS is a representation that the services billed for have, in fact, been rendered pursuant to the Contract and attached Exhibit A. RCEB expressly reserves the right to institute and appropriate legal actions to recoup funds billed in excess of services rendered, including referral to the appropriate law enforcement agency for criminal prosecution.

Notwithstanding anything in this Agreement to the contrary, the validity of this Agreement (including the Regional Center's obligation to remit payments to Contractor) is conditioned on Regional Center's receipt of adequate funds from the California Department of Developmental Services ("DDS") to pay for the services described in this Agreement (the "Funding Contingency"). The Funding Contingency is a part of this Agreement because Regional Center's annual funding agreements with DDS provide that such funding agreements are subject to the appropriation of funds by the Legislature, and that if such funds are not appropriated for any fiscal year into which such funding agreements extends, the funding agreements are of no force and effect. Regional Center shall therefore have the right and option to terminate this Agreement without liability, and such termination shall be deemed a failure of the Funding Contingency, if (1) DDS for any reason fails to deliver funds to the Regional Center for any period covered by this Agreement or (2) the Regional Center receives funds from DDS for a period covered by this Agreement but the Regional Center determines that such funds are inadequate to pay for all of the vendor services and other expenses which such Regional Center expects to

incur in such fiscal year, and therefore elects to fund other services rather than the services identified in this Agreement or (3) a Regional Center receives funds from DDS for a period covered by this Agreement and initially allocates a portion of such funds for the services in this Agreement, but thereafter elects to reallocate some or all of such DDS funds to fund services other than the services in this Agreement. When insufficient funds exist for the Regional Center to pay for all potential services, the Regional Center shall have the right (under clauses (2) and (3) above) in its sole and arbitrary discretion to fund services other than the services identified in this Agreement, based on which services the Regional Center believes are in its best interests of Clients identified to receive support. If there is a failure of the Funding Contingency, then (1) the Regional Center shall have no liability to pay any further funds whatsoever to the Contractor or to furnish any other considerations under this Agreement and (2) neither party shall be obligated to further perform any provisions of this Agreement. The Regional Center will notify the Contractor within a reasonable timeframe of the implementation of this section.

In addition to the above, if there are insufficient funds available from DDS to pay for all of the vendor services and other expenses which the Regional Center expects to incur in any fiscal year, as determined by the Regional Center in its sole and arbitrary discretion, the Regional Center shall have the option at any time, on 30 days notice to Contractor to reduce or change the scope of services being provided under this Agreement. In such event, the Regional Center and Contractor will in good faith negotiate to agree on the Contractor's new amount of compensation under the modified Agreement. If the parties are unable to agree on the Contractor's new compensation for its modified services within such 30 day period, such Regional Center shall then either (1) terminate this Agreement, because of the failure of a Funding Contingency or (2) rescind its modification of Contractor's services, in which event this Agreement shall continue in full force and effect without such modification in services or compensation.

#### **14. CAP ON SERVICE PROVIDER'S ADMINISTRATIVE COSTS**

Service Provider agrees that it will not spend more than 15% of the funds it receives from the Regional Center under this Agreement on the Service Provider's administrative costs. For purposes of this paragraph, the Service Provider's administrative costs shall include all of the items listed under California Welfare and Institutions Code section 4629.7 (a)(1) through (15), as such provisions may be amended from time to time. Conversely, those costs the Service Provider incurs that are immediately associated with the services the Service Provider offers to the Regional Center's Clients are considered direct service expenditures, and are not administrative costs. To insure the Service Provider complies with these requirements, the Service Provider shall provide the Regional Center with access to all books, documents, papers, computerized data, source documents, Client records, and other records pertaining to the Service Provider's negotiated rates, upon the Regional Center's request.

## **15. NON-DISCRIMINATION**

Neither the Employer nor the Union shall discriminate against any employee or applicant for employment on account of age, genetic information/characteristics, marital status, medical condition (including cancer or record or history of cancer), or AIDS/HIV status, mental or physical disability, national origin and ancestry (including language use restrictions), pregnancy/perceived pregnancy, sex/gender including: gender identity or gender expression (this includes transgender status and those who are transitioning or have transitioned), race and color, religion, sexual orientation and military and veteran status.

Recipient, Contractor, and its subcontractors shall give written notice of their obligations under this clause to labor organizations.

Neither the Contractor or Contractor's employees shall unlawfully manufacture, distribute, dispense, possess or use controlled substances, as defined in 21 U.S. Code Section 812, at any Contractor facility or work site. As such, concurrently with its execution of this Agreement, Contractor shall execute the “Business Associate Agreement – Contractor” attached to this Agreement and incorporated herein as **Exhibit B**.
