| <input type="checkbox"/> - Home                                                  | Home: times a month                                                                                                                     |                      |
| <input type="checkbox"/> - Community                                             | Community: times a month                                                                                                                |                      |
| <input type="checkbox"/> - Provider Site                                         | Provider Site: times a month                                                                                                            |                      |
| <input type="checkbox"/> Supports to Transition to Self-Determination            | Upon Request                                                                                                                            |                      |

Other: An option for Alternative Services NOT listed above. Describe those below and provide consent/agreement by participant/student initials: \_\_\_\_\_

**\* NOTE: In-Person Services will only be provided if in compliance with the most restrictive state or local public health guidelines related to COVID-19 in effect when the service is being given.**

**2. What do you want to achieve from accessing the Alternative Services that you chose?**

### 3. What is important to you in your life?

SERVICE PROVIDER agrees to be available during the hours of service via phone or email, to maintain staffing, and document programming per usual. SERVICE PROVIDER also agrees to train staff on COVID-19 safety precautions and maintain compliance with the most restrictive local and state public health guidelines before in-person services can be delivered.

#### Additional Comments

\_\_\_\_\_ I was informed about the options of Alternative Services during COVID-19, and know what I can do if I disagree with these services offered to me. I also am aware that SERVICE PROVIDER will change my current ISP to the choices I made to my programming. (Initial)
